## Liability for contents

As a service provider, we are responsible for our own content on these pages in accordance with general legislation pursuant to Section 7 (1) of the German Telemedia Act (TMG). However, according to §§ 8 to 10 TMG, we are not obliged as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity.

Obligations to remove or block the use of information in accordance with general laws remain unaffected by this. However, liability in this regard is only possible from the point in time at which a concrete infringement of the law becomes known. If we become aware of any such infringements, we will remove the relevant content immediately.

## Liability for links

Our website contains links to external websites of third parties over whose content we have no influence. Therefore, we cannot assume any liability for these external contents. The respective provider or operator of the pages is always responsible for the content of the linked pages. The linked pages were checked for possible legal violations at the time of linking. Illegal contents were not recognisable at the time of linking.

However, permanent monitoring of the content of the linked pages is not reasonable without concrete indications of a legal violation. If we become aware of any infringements of the law, we will remove such links immediately.

## General data protection

By using our website you agree to the collection, processing and use of data as described below. Our website can be visited without registration. Data such as called pages or names of the retrieved file, date and time are stored on the server for statistical purposes, without obtaining personal data. Personal data, in particular name, address or e-mail address, are collected as far as possible on a voluntary basis. Without your consent, the data will not be passed on to third parties.

## Privacy Policy

Our website uses cookies. These are small text files that make it possible to store specific user-related information on the user's terminal while using the website. Cookies enable us to analyze

the frequency of use and the number of users, to analyze the behavior of the site, as well as to make our offer more customer-friendly.
